

Internship – Business Development

Incize, a Belgian hi-tech/R&D start-up, is looking for a student in his/her final year who is majoring in Business, Marketing or related fields.

The intern should be prepared to work in a fast-paced and innovative/hi-tech environment, and will finish the internship having gained broad experience in various aspects of marketing, business development and relationships building.

The time-frame of the internship is flexible with an expected duration of two to six months.

Responsibilities

- Identify new business opportunities by performing in-depth market analysis
- Analyse prospects and evaluate their position in the industry
- Maintain relationships with existing leads
- Establish contacts and develop relationships with prospects
- Represent the company (exhibition, workshops, conferences and scientific events)
- Actively promote the business through various marketing channels (web platform, commercial briefs, e-mail campaigns, etc)

Profile

- Final year in business/marketing studies or related field
- Excellent verbal and written skills in English
- Knowledge of another language (Chinese, Japanese, German, ...) is a major bonus
- Good command of Microsoft Office (PowerPoint, Word and Excel)
- Committed, result oriented with an analytical mindset and a quick learner
- Team player as well as able to work autonomously
- Self-motivating, innovative and creative
- Passionate about technological developments and have the strategic vision to turn them into business opportunities
- Strong reporting, presentation and communication skills
- Able to practice discretion when handling confidential information
- Professional attitude and stress resistant, excellent organization and coordination skills

What to expect

You will be actively involved in the development of our business and will have your place as a member of our team from day one. You will have a rich opportunity to learn, develop and accumulate an international experience working closely with our customers and partners around the world.

- A friendly, flexible and international work environment
- Lots of freedom and chance to show and execute your own initiative and ideas
- A genuine start-up experience
- Infinite opportunities to learn
- Possibility of employment after successful completion of the internship

How to apply

Please send your CV and a cover letter to info@incize.com with a subject line *internship01_2018_surname*.
