The candidate should be prepared to work in a fast-paced and innovative/hi-tech environment, and will rapidly gain a broad experience in various aspects of marketing, business development and relationships building.

This is a full time job that requires high levels of dedication and discretion. The candidate has to engage to a strict confidentiality practice.

Responsibilities

- Develop business relations with clients and prospects in **Europe and America**
- Market study and identify business opportunities and prospects in these markets
- Establish contacts and develop relationships with prospects
- Maintain relationships with existing leads
- Ongoing development of Incize Business Plan and Marketing Plan
- Manage digital marketing including LinkedIn, YouTube, MailChimp, etc.
- Manage marketing and communications materials
- Manage events organized by Incize
- Represent the company during conferences and exhibitions

Profile

- Business/management degree
- Bilingual in French/English, with an extra for excellent knowledge of Dutch
- Excellent communication skills
- Accuracy, precision, availability and punctuality
- Team player as well as able to work autonomously
- Committed, result oriented with an analytical mindset and a quick learner
- Strong reporting and presentation skills
- Able to practice discretion when handling confidential information
- Professional attitude and stress resistant, excellent organization and coordination skills
- Excellent knowledge of Microsoft office (Word, Excel and PowerPoint)

What to expect

You will be actively involved in the development of our business and will have your place as a member of our team from day one. You will have a rich opportunity to learn, develop and accumulate an international experience working closely with our customers and partners around the world.

- A friendly, flexible and international work environment
- Lots of freedom and chance to show and execute your own initiative and ideas
- A genuine start-up experience
- Infinite opportunities to learn

How to apply
